Encore at Rockrimmon is the second project developed by Western National Properties in partnership with Nor'wood Development Group in Colorado Springs. The property is a Class "A" core asset located in Colorado Spring's prestigious submarket of Rockrimmon. Additionally, the project is strategically located near I-25, a main north/south arterial, providing good access to employment centers in Colorado Spring and Denver.

The apartment homes are spacious and feature 9' ceilings, direct access garages on selected units, private balconies/patios, washers and gas dryers, granite counter tops, and modern black-on-black appliances. It also includes the best-in-class common area amenities that include a clubhouse, with a chefs test kitchen, professional fitness studio, game room, movie theater and business center. Outside, there is a stunning seasonally heated pool and spa, contemporary social center with fireplace, grills and private seating area, as well as a playground.
